# LEPH 2019

## Public Health Approaches in Policing The Reading Model of Collaborative Leadership for Prevention and Early Intervention

# The why...

- Little shared accountability for prevention and early intervention
- Reduced budgets but Increased demand on specialist and high costs services
- Delivering interventions and spending money on the same families
- Little co-commissioning of services
- Limited data sharing
- No shared practice frameworks or approaches
- Few shared outcomes
- No consensus on how we work together as public and public / social partners
- No system or framework for working together - as system leaders
- Late intervention is not good for children, young people and families and is expensive

# The what...

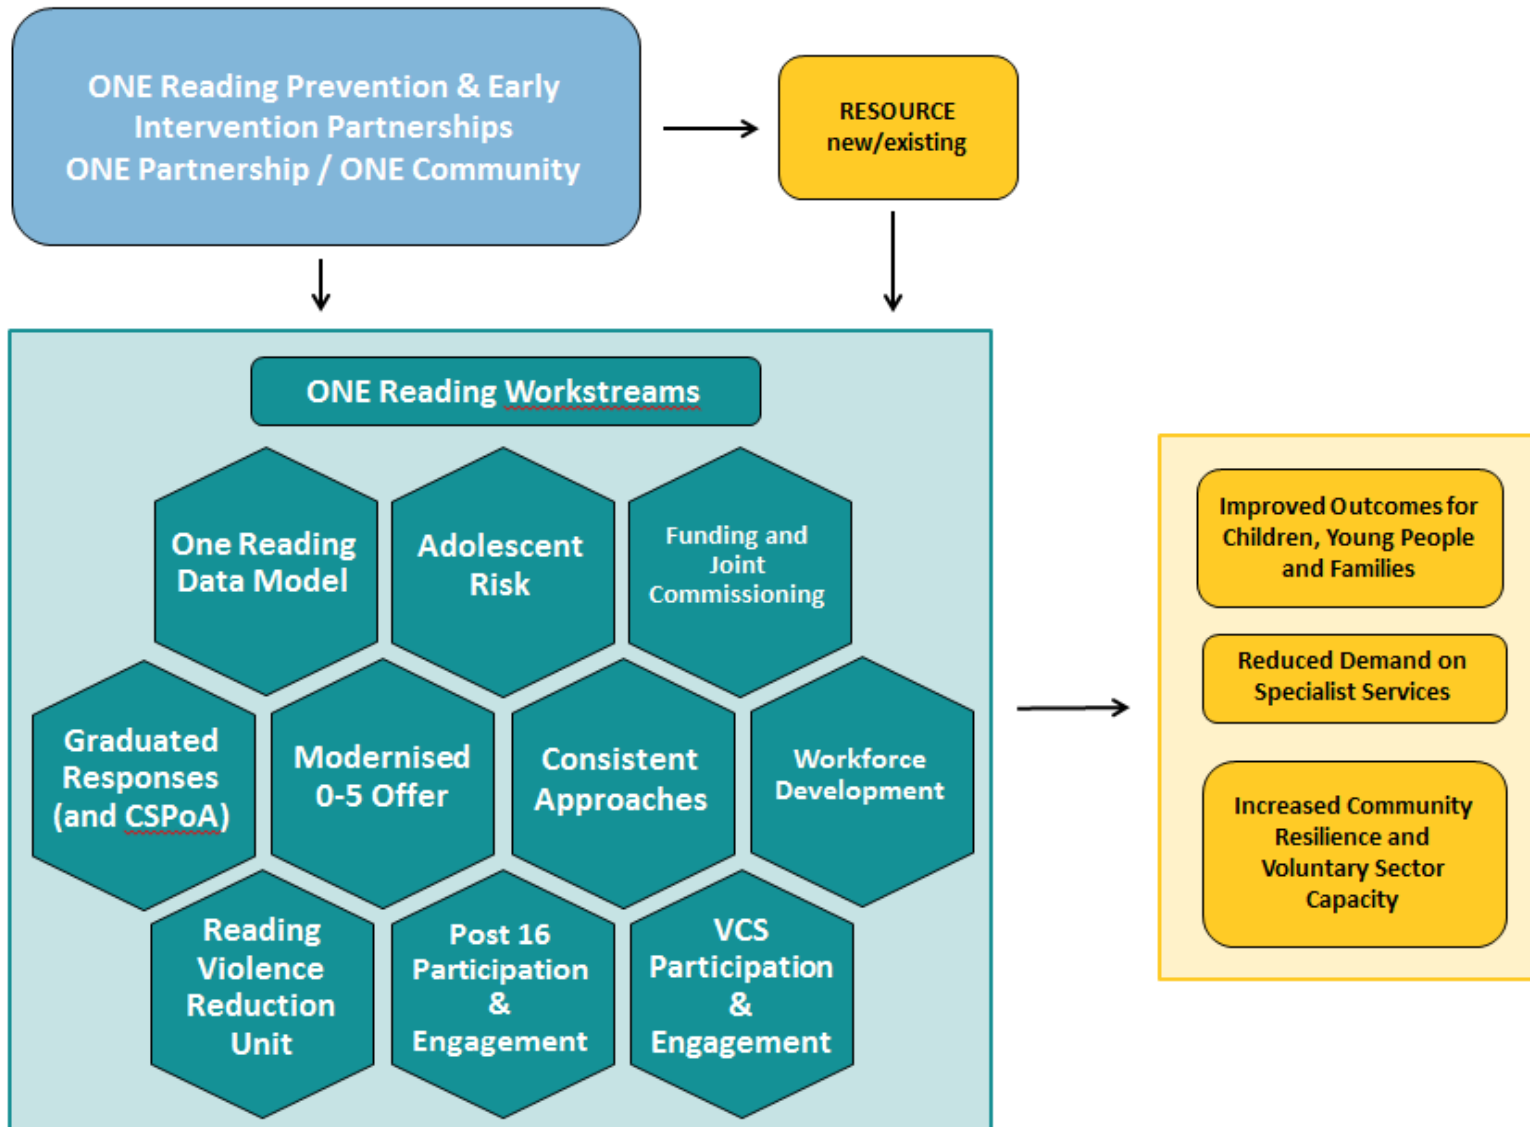

- Embed the LSCB working together guidance in practice – to bring greater shared accountability
- Develop a shared vision for working together
- Develop a shared set of principles and frameworks to deliver the vision and underpin how we work together in practice
- Agree a shared set of outcomes
- Establish a Partnership Board of system leaders to drive strategic direction (governance)
- Establish an integrated partnership delivery system to deliver shared outcomes (operational)
- Agree to share person level data
- Increase the capacity of Voluntary and Community Sector and allow them to play a greater role in the work of public partners

# The how...

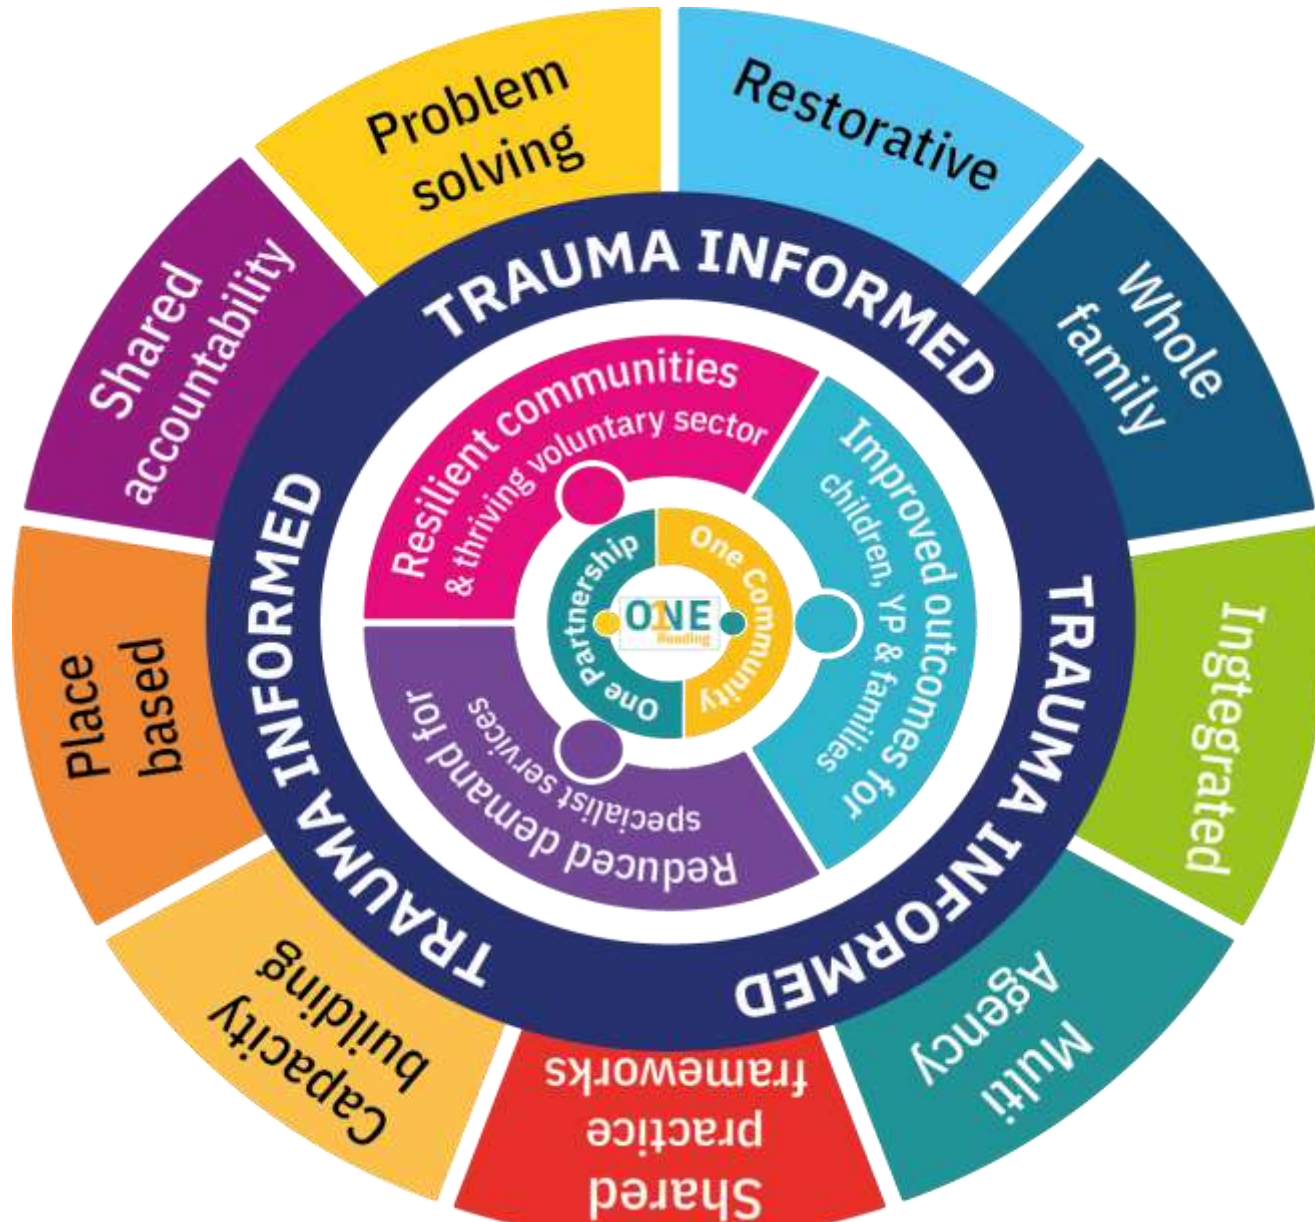

## The Reading Model: Working Smarter Together as ONE Team

# The ONE Reading Partnership Structure

# The ONE Reading Local Consensus & Strategic Framework

Classification: OFFICIAL

# ONE Reading Strategic Framework

The Framework sets out a vision for a partnership of wraparound provision for families; where collaborative approaches define service agendas and address budgetary constraints

Centred around 4 priority areas, and sets out a partnership response to deliver ambitious outcomes for Reading's children, young people and families

1. Shaping the Strategic Direction and Transforming Services
2. Capacity Building and Sustainability
3. Better Outcomes for Children, Young People and Families
4. Measuring Impact and Quality

The logo for 'Brighter Futures for Children' is located in the top left corner. It consists of a stylized blue and green shape resembling a sun or a flower, with the text 'Brighter Futures for Children' written in white inside a dark teal rounded rectangle.
